Electronic newsletters are sent to the subscribers and researchers/experts related to stem cells worldwide to timely disseminate key contents of the journal, so that the authors' contributions can be distributed internationally.

9. Introduction of the Publisher - AME

Our Publisher—

AME Publishing Company

www.amegroups.com

- Established in 2009
- Registered in Hong Kong
- 10 offices around the world

- **60+** peer-reviewed journals
 - **13** indexed in SCIE
 - **18** indexed in PubMed/PMC/MEDLINE

- **120+** Medical Books
 - **60+** Medical Books in English
 - **60+** Medical Books in Chinese

- **120+** Electronic Editions
