## 9. Children's Hospital of Fudan University

Children's Hospital of Fudan University is a tertiary pediatric medical center affiliated to Ministry of Health of China. Since founded in 1952, it has been dedicated to providing the pediatric patient care, education and research. The hospital owns the national key discipline for pediatrics designated by the Ministry of Education. It provides training programs for master and doctoral degrees, and postdoctoral fellowship. It has been consistently granted as the model unit by Shanghai Municipal Government.
