2. Honorary Editor-in-Chief

Ahmedin Jemal, DVM, PHD

Vice President, Surveillance and Health
Services Research, American Cancer
Society, Atlanta, GA, USA

3. Editors-in-Chief

**Freddie Bray, BSc(Hons),
MSc, PhD**

Cancer Surveillance Section
International Agency for Research
on Cancer(IARC)
Lyon, France

Wanqing Chen, MD, PhD

National Cancer Center
Cancer Hospital, Chinese Academy of
Medical Sciences & Peking Union
Medical College
Beijing, China

4. ACE Editorial Board

Peter D. Baade, PhD

Cancer Council
Queensland,
Australia

**Mark Parascandola,
PhD, MPH**

National Cancer
Institute, USA

**Xue Qin Yu,
PhD, MPH**

Cancer Council
NSW, Australia

Tomohiro Matsuda, PhD

National Cancer Center,
Japan

Kui Son Choi, PhD

National Cancer
Center, Korea

Hyunsoon Cho, PhD

National Cancer Center,
Korea

4. ACE Editorial Board

**Donald Maxwell
Parkin, MD**

University of Oxford,
UK

**Michel P Coleman, BA,
BM, BCh, MSc, FFPH**

London School of Hygiene
and Tropical Medicine
(LSHTM), UK

**Mark Clements, BSc
(Hons), PhD**

Karolinska Institute,
Sweden

Yuming Guo, MD, PHD

Monash University,
Australia

**Hamid Salehiniya, MSc,
PhD candidate**

Tehran University of
Medical Sciences, Iran

Mikhail Valkov, MD

Northern State Medical
University,
Russian Federation

4. ACE Editorial Board

Joanne F. Aitken, ScM, PhD

Cancer Council Queensland
Australia

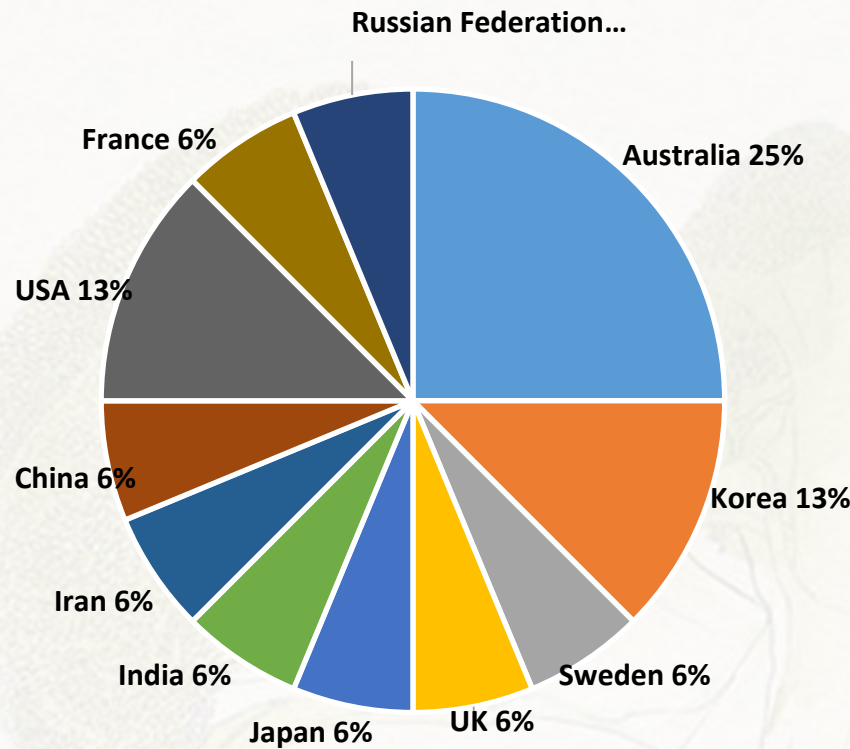

Rajesh Dikshit

Tata Memorial Centre
India

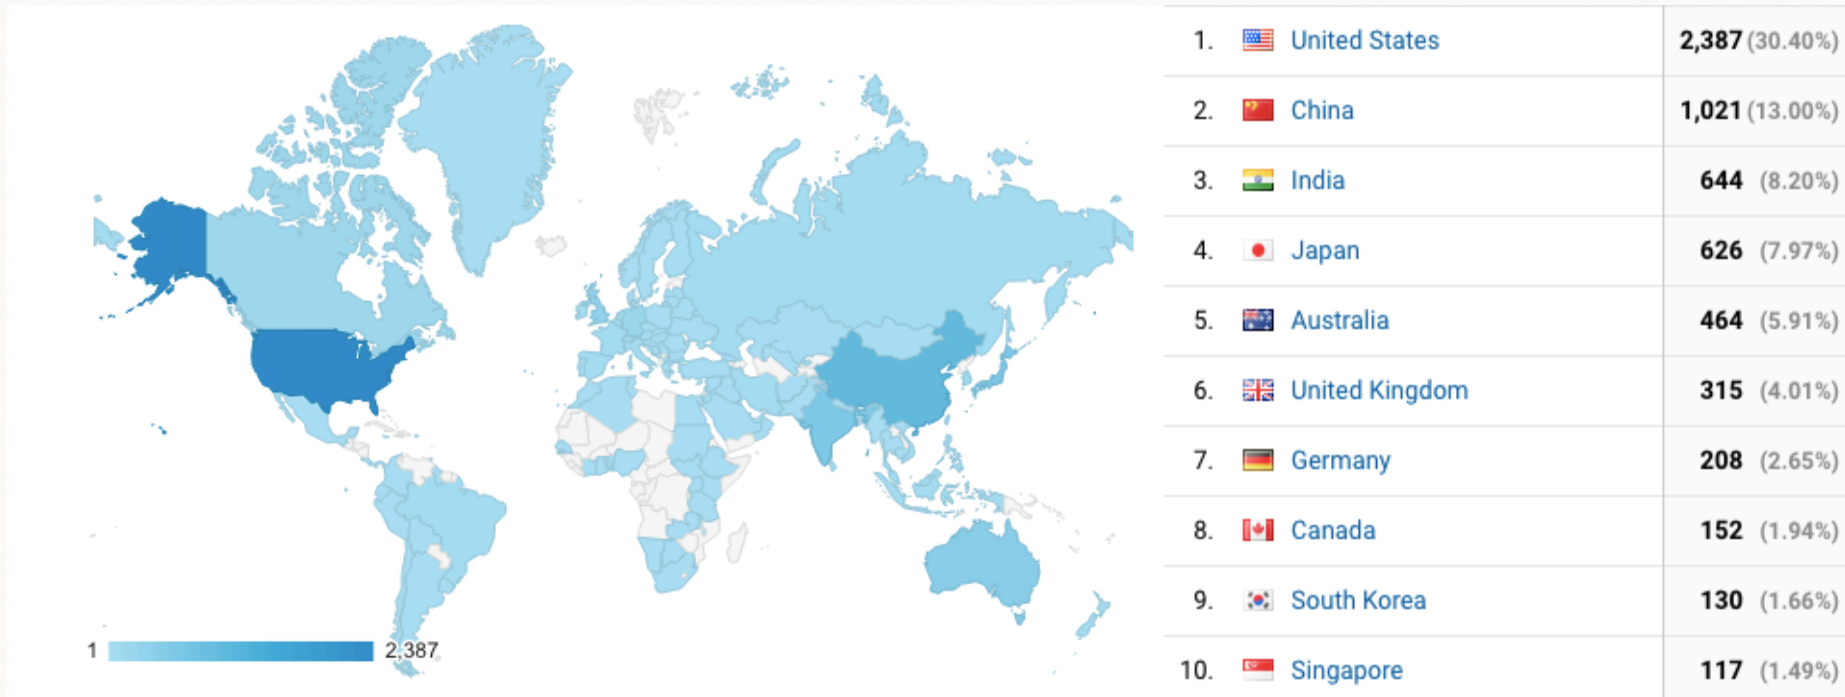

In the new 2020, we warmly welcome more and more international experts of the field to join and contribute to ACE!

5. Geographical Distribution of ACE Editorial Board Members

All together **17** members,
including **1** Honorary
Editor-in-Chief, **2**
Editors-in-Chief, **14**
Editorial Board Members.

6. Website Visits in 2019

All together 7,851 visitors in 2019. Readers who visited ACE website were from diverse countries/regions, with the majority from the United States, followed by China, India and Japan. Other countries/regions include Australia, United Kingdom and Germany, etc.

Note: Google Analytics, from Jan 1, 2019 – Jan 1, 2020

7. Newsletters Promotion

ACE ANNALS OF CANCER EPIDEMIOLOGY
HELPS HUMAN APPLY EPIDEMIOLOGICAL STUDIES TO FIGHT AGAINST CANCERS

Editor's Choice

A review of media effects: implications for media coverage of air pollution and cancer »
Nandita Murukutla, Namrata Kumar, Sandra Mullin
The media has created public attention toward air pollution and has been effective in raising risk perceptions, but also indicates gaps in media reports, including an under-emphasis on health effects...
[Read Now](#) | [Download PDF](#)

How to prevent most deaths from lung cancer: control cigarette smoking and air pollution »
Jonathan M. Samet
For both smoking and air pollution, the evidence on causation is sufficient and risks have been quantified with reasonable certainty...

[SCIE-indexed Journals](#)

Electronic newsletters are sent to the subscribers and researchers/experts related to cancer epidemiology worldwide to timely disseminate key contents of the journals, so that the authors' contributions can be distributed internationally.

8. Focused Issue Published in 2019

Focused Issue on Global Cancer Burden

9. Focused Issues Ongoing in 2019-2020

Focused Issue on Air Pollution and Global Cancer Burden

GUEST EDITOR

MARK PARASCANDOLA

9. Focused Issues Ongoing in 2019-2020

Focused Issue on Spatial Patterns in Cancer Epidemiology

GUEST EDITORS

SUSANNA CRAMB; PETER BAADE

10. Introduction of the Publisher AME

- Meet Our Publisher –
AME Publishing Company
www.amegroups.com

- Established in 2009
- Registered in Hong Kong
- 10 offices around the world
- **60+** peer-reviewed journals
 - **13** indexed in SCIE
 - **18** indexed in PubMed/PMC/MEDLINE
- **120+** Medical Books
 - **60+** Medical Books in English
 - **60+** Medical Books in Chinese
- **120+** Electronic Editions

THANK YOU!
