## 2. Honorary Editor-in-Chief

**Hong-Hao Zhou, MD, PhD**

Department of Clinical Pharmacology,  
Xiangya Hospital,  
Central South University,  
Changsha, China

*In order to further expand the international communication, we launched the Journal of Xiangya Medicine in 2016. This comprehensive and international journal is the first journal named after a hospital in China. It is designed as open-access and peer-reviewed. It publishes up-to-date data and information in medicine and surgery. It is the creation of Xiangya hospital's globally-focused DNA. It aims to serve as a communication platform for health care professionals around the world. I'm glad to serve as the honorary Editor-in-Chief, working with the editorial panels, step by step to make it as prestigious as possible.*

### 3. Editors-in-Chief

**Jianzhong Hu, MD, PhD**

Xiangya Hospital,

## 13. The Xiangya Hospital, Central South University

Founded in 1906 by the Yale-China Association of the United States, an independent nonprofit organization established at the start of the 20th century, Xiangya Hospital is one of the oldest western hospitals in China. Over the past century, Xiangya Hospital has evolved into a high-quality modern hospital integrating clinical care, training and education, medical research, preventive care, and rehabilitation, with a capacity of over 3,500 beds. Xiangya Hospital prides itself on translating new medical and technological breakthroughs into advanced clinical management. For more information, please visit: <https://www.xiangya.com.cn/en/>.
