## Message from Editors-in-Chief

“Shanghai Chest celebrated a year of achievements in 2023 as the journal was accepted for inclusion in Scopus in June.

On behalf of the editorial team, we would like to express our heartfelt appreciation to all the editorial board members, guest editors, authors, and reviewers for your continued support of the journal and contribution to its steady growth in the past years. In the new year of 2024, we sincerely look forward to your further engagement in promoting the knowledge and researches on chest diseases, for the ultimate benefit of all patients.”
