

Table S1 Isolated cerebral or peripheral embolic events in cardiac myxoma patients

| First author (year) | Stroke occluded vessels/involved segments | Peripheral occluded vessels | Reference |
|-----------------------------|--|---------------------------------------|-----------|
| Sharma P (2023) | Multifocal bilateral embolic infarcts | None | (1) |
| Venkata Kasarabada H (2023) | Multiterritorial lacunar infarcts | None | (9) |
| Zhang J (2024) | Right middle cerebral artery, left middle cerebral artery | None | (10) |
| Shen YC (2024) | Posterior circulation infarcts | Left digital arteries | (8) |
| AbuDujain NM (2024) | Posterior circulation, right vertebral artery | Digital arteries | (5) |
| Wu X (2024) | Right middle cerebral artery (M1) | None | (7) |
| Sabri M (2024) | Multifocal embolic infarcts | None | (11) |
| Khalid A (2024) | None | Splenic artery | (19) |
| Sega M (2024) | Right occipital lobe infarct | Renal artery | (12) |
| Solís-Gómez R (2024) | Multifocal cerebral metastatic lesions | None | (13) |
| Botezat MM (2024) | Multifocal microvascular infarcts | None | (14) |
| Alrushaid S (2025) | Multiterritorial anterior and posterior circulation infarcts | Central retinal artery, radial artery | (15) |
| Singh M (2025) | Multifocal embolic infarcts | None | (2) |
| Devlin K (2025) | Right cerebellar, left parietal infarcts | None | (16) |
| Alishala M (2026) | Recurrent multifocal embolic strokes | None | (17) |
| Wu N (2026) | Multiterritorial embolic infarcts | None | (18) |
