

Figure S1 (A) The overall survival for miR-26b-5p in KICH. (B) The overall survival for miR-27a-3p in KICH. (C) The overall survival for miR-27b-3p in KICH. (D) The overall survival for miR-32-5p in KICH. (E) The overall survival for miR-363-3p in KICH. (F) The overall survival for miR-26a-5p in KIRC. (G) The overall survival for miR-26b-5p in KIRC. (H) The overall survival for miR-363-3p in KIRC. (I) The overall survival for miR-26b-5p in KIRC. (J) The overall survival for miR-26a-5p in KIRC. (K) The overall survival for miR-363-3p in KIRC. (L) The overall survival for miR-32-5p in KIRC. (M) The correlation of miR-26a-5p with SLC7A11 expression in KIRC. (N) The correlation of miR-26a-5p with SLC7A11 expression in KIRC. (O) The correlation of miR-27b-3p with SLC7A11 expression in KICH.
