

**Figure S1** The mRNA expression of *TCF4* with the transfection of si-Con or si-TCF4. After transfection with si-Con or si-TCF4 for 48 h, the mRNA expression of *TCF4* was detected by RT-PCR in MGC-803 and SGC-7901. n=3 in each group. \*\*\*,  $P < 0.001$ . si, small interfering; TCF4, transcription factor 4; mRNA, messenger RNA; RT-PCR, real time-polymerase chain reaction.
